Subject:	LearnOutLoud's E-Magazine: Our New Mobile Design!

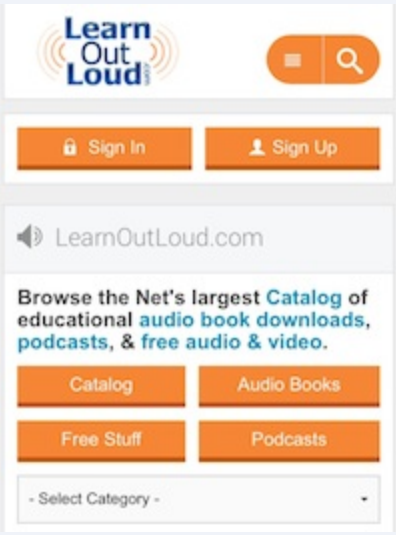
The LearnOutLoud E-Magazine

July 17th, 2014

In this Issue:

- New Mobile Design
- Free Thoreau
- Free Blogs
- Audio Tours

Our New Mobile Design



We're pleased to announce our new mobile design of LearnOutLoud.com! For those of you on smart phones, such as the iPhone or Android phones, LearnOutLoud.com just got a whole lot easier to navigate. Browse our main sections that are now optimized for mobile phone viewing. If you're on a mobile smart phone, click the links below and you'll be directed to the mobile optimized pages:

LearnOutLoud.com Home Page:

From our home page you can access the main sections of our site. You can always click the top logo to return to our home page. Click the search icon in the top bar to bring up a search bar for searching our site. Or click the menu icon next to the search icon to bring forth a drop down of the main sections of our site. Scroll down and you can browse by category with our category drop down menu. Further down the page you'll find New & Notable audio books, Our Top Ten Bestsellers, Featured Free Audio & Video, and Feature Podcasts. Each of these featured sections can be scroll through horizontally by swiping your finger across the titles. In the footer on each page you'll also find links to the main sections of our site.

LearnOutLoud.com Catalog:

Our full catalog now features over 40,000 titles including audio book downloads, podcasts, and free educational audio & video titles. The mobile catalog page features drop downs of all of our categories so you can browse our subcategories. Below that you can browse other sections of our site. Note that not all of these other sections are optimized for mobile yet.

LearnOutLoud.com Audio Book Downloads:

Our audio book downloads section features all of the audio books we sell on audio download through LearnOutLoud.com. In the mobile section you'll find a category drop down for browsing audio books by category. Further down the page you'll find New & Notable audio books as well as Our Top Ten Bestsellers. Below that you can browse audio books sorted by our bestsellers.

LearnOutLoud.com Free Audio & Video Directory:

The LearnOutLoud.com Free Audio & Video Directory offers a selection of over 5000 free educational audio and video titles. In the mobile section you'll find a category drop down for browsing free titles by category. Below that you'll find Featured Free Audio & Video titles and then the ability to browse our free directory by most popular titles.

LearnOutLoud.com Podcast Directory:

The LearnOutLoud.com Podcast Directory offers over 2000 audio & video podcasts you can learn from. In the mobile section you'll find a category drop down for browsing audio books by category. Below that you'll find Featured Podcasts and then the ability to browse our podcast directory by most popular podcasts.

We're still working on making mobile designs for other sections of our site, including a more mobile friendly download library. If you're on a desktop or tablet then browsing our site should still be the same. Please provide us with your feedback on this new mobile design. Thanks!

New Blog Posts of Free Stuff

Featured Section

BlogOutLoud.com We've been adding a lot of new blog posts lately. In these posts we've been collecting free resources we've featured in the past into topical posts that you can browse. Here are all the latest posts we've added:

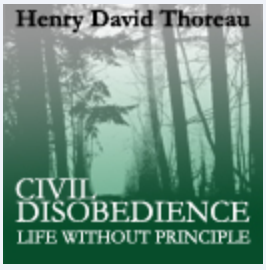
Free Audio Book: Two Thoreau Essays



Download our free audio book for the month of July, which is **Civil Disobedience & Life Without Principle** by American author, transcendentalist, and philosopher Henry David Thoreau. These two essays are essential listening for those who want to be introduced to the ideas of this great American thinker.

Civil Disobedience & Life Without Principle

Civil Disobedience was published in 1849, and in it Henry David Thoreau lays out his political philosophy for resisting civil government, which greatly influenced Mahatma Gandhi, Martin Luther King, Jr., and many other nonviolent resisters.

Life Without Principle was derived from a lecture which Thoreau delivered in 1854. This essay covers Thoreau's ideas on right livelihood including his thoughts on business, making a living, reading the news, and much else.

This audio book is available for free on MP3 download. This audio book can be downloaded exclusively through LearnOutLoud.com until the end of July. So be sure to download it!

Civil Disobedience & Life Without Principle

Guide to Audio Tours

For those of you doing summer traveling, we present our "Guide to Audio Tours":

Guide to Audio Tours

With the proliferation of the iPhone, iPod, and portable MP3 players, audio tours have become an increasingly popular way to explore new places when traveling to tourist destinations. They're cheaper, less obtrusive, and often better than taking a guided walking tour or bus tour of a city. We thought we'd put together a comprehensive resource of the audio tours available throughout the world (most of them we don't have up on the site yet so we're linking directly to them). We've separated them according to U.S. Cities, European Cities, Other World Cities, and Museums throughout the World.
